

Miles To Go's 8 Tips For A Safe New Year's Eve:

- ◆ Designate your driver before the party.
- ◆ Separate the alcoholic drinks from the non-alcoholic drinks.
- ◆ Provide different cups for anyone under 21.
- ◆ Don't serve sparkling ciders or non-alcoholic beverages in champagne glasses to your guests who are under 21. You can use a special glass, just not the same type your adult drinkers use.
- ◆ Surprise the guests who snoop in your medicine cabinet with a marble trap: just arrange a fragile nest of marbles that will spill out if the door is opened.
- ◆ Don't have any marbles? Put this in your medicine cabinet. [Click here](#) for pdf printable sign on our website.
- ◆ Let your kids see you and your friends having fun without getting drunk.
- ◆ Don't use acetaminophen (Tylenol) with alcohol or after drinking.
